Access Community Information Online

Did you know?

All the information contained in this directory is available on Woollahra Council's website, as part of our community information database.

What does this mean?

You can conveniently search for community groups, services and facilities by name, location or type of organisation using the online database.

The community information database is updated in real time and, therefore, contains the most up-to-date information.

What do I do?

1. Visit our website: www.woollahra.nsw.gov.au/
2. Click on the [Community information database](#) link under the 'Online services' section (on the right hand side of the page)
3. Specify your location (the system will remember your suburb preference and direct you straight to this screen in future visits)
4. You will now be able to search the database based on keywords or browse by category
