

Resident parking schemes help to alleviate parking congestion in busy areas and are designed to help residents who have little or no off-street parking. You will be able to tell if a resident parking scheme is operating in your area by the distinctive signs on the street. If you are unsure if your property qualifies for the scheme, contact Council's Customer Services Department on 9391 7000 or go to Woollahra Council's website, www.woollahra.nsw.gov.au.

Are you eligible for a Parking Permit?

You may be eligible for up to two resident parking permits per property if you answer YES to ALL of the following questions;

Do you live in a residential parking scheme area?
(Notes 1 and 2) YES NO

Is the permit to be issued for your residential address? (Notes 3 and 4) YES NO

Do you have either one or nil off-street parking spaces for your property? (Note 5) YES NO

Are you either, the owner of the vehicle, or have continued authorised private use of the vehicle?
(Notes 6, 7 and 8) YES NO

Notes:

1. In some cases not all properties within a street will qualify for a resident parking permit
2. There are a small number of properties in resident parking areas where special development conditions exclude the issue of a resident parking permit

4. Permits cannot be issued to tradesmen, visitors, shopkeepers or commercial tenants
5. There is a maximum of two residential parking permits issued per property. The number of permits issued per household is reduced by every off-street parking space available at the property
 - Nil off-street parking spaces – eligible for two permits
 - 1 off-street parking space – eligible for one permit
 - 2 or more off-street parking spaces – not eligible for a permit
6. If you use a company car, a letter from the company (on company letterhead) authorising private use of the vehicle will be required
7. Permits may only be issued for cars and motor cycles. In the area designated 'Rose Bay 2' permits may also be issued for boat trailers
8. Vehicles over 3 tonne are not eligible for a permit.
