

New Bike Lockers for Rose Bay Ferry Commuters

The installation of four new bike lockers at Lyne Park means bicycle commuters can rest easy knowing their bicycles will be safe 24 hours a day.

The bike lockers were jointly funded by Woollahra Municipal Council and the NSW Ministry of Transport to promote a healthy lifestyle and reduce road congestion by encouraging commuters to ride bicycles to the Rose Bay ferry terminal.

The lockers, situated on the northern side of the public toilets, are available for hire from Bicycle NSW for \$50 per quarter, or \$180 per annum, plus a \$50 refundable security deposit. If you're interested in hiring a bike locker, call Bicycle NSW on 9218 5400 and follow the prompts.
