Did you know?

All the information contained in this directory is available on Woollahra Council's website, as part of our community information database.

The screenshot shows the Woollahra Municipal Council website. At the top, there is a header with the council's name and a navigation menu. Below the header, there is a section titled "Community information database". This section contains two main parts: "1. Check Location?" and "2. Find?".

1. Check Location?
The following location will be used to order results so that your nearest services are displayed first.
Town / Suburb: Woollahra 2025 [change location](#)

2. Find?
Enter the keywords you would like to match against records in the database.

What does this mean?

You can conveniently search for community groups, services and facilities by name, location or type of organisation using the online database.

The community information database is updated in real time and, therefore, contains the most up-to-date information.

What do I do?

1. Visit our website: www.woollahra.nsw.gov.au/
2. Click on the [Community information database](#) link under the 'Online services' section (on the right hand side of the page)
3. Specify your location (the system will remember your suburb preference and direct you straight to this screen in future visits)
4. You will now be able to search the database based on keywords or browse by category
