

Works Zone

Under the *NSW Road Rules 2014 and Local Government Act 1993*.

Effective from July 2021 to June 2022

About this form

This form is to be used to apply for a Works Zone on a public road within the Municipality of Woollahra.

- If your Works Zone is related to a Development Consent and a Construction Management Plan is required as a condition of this Development Consent, please do not submit this application until your Construction Management Plan has been approved.
- If a Works Zone is required as a condition of development consent, failure to comply with this condition is a breach of consent and may result in fines and proceedings pursuant to Part 6 of the EP&A Act 1979.
- Works Zones facilitate construction projects by providing an area for construction vehicles to stand. Vehicles using the zone must be constructed principally for the conveyance of goods (not being station wagons) and be actually engaged in taking up or setting down goods or building materials for the building site.
- Applications for a Works Zone on a public road controlled by Woollahra Council will be determined by the Council.
- Applications for a Works Zone on a public road controlled by Roads & Maritime Services (RMS) will be referred by Council to RMS for approval and will require a RMS Road Occupancy Permit for the full dates required for the Works Zone.

Please note that the entire approval process including signage installation for a Works Zone can take up to 8 weeks.

For further information, please contact Customer Service Centre on (02) 9391 7000.
