

Have you ever wanted to experience the freedom of sailing on Sydney Harbour?

...but thought it was physically impossible!

Sailability Rushcutters Bay can introduce you to the excitement of sailing....

Sailability NSW is a registered charity which aims to provide sailing opportunities for people with disabilities. We cater for all levels of disabilities and age groups, from children to the elderly and everyone in between. So if you are already an enthusiastic sailor, or if you have never sailed before and would love to experience freedom on the water then come join us.

Our fleet includes two purpose built yachts which can accommodate up to eight people each. With an experienced skipper on board, you can sail around Sydney Harbour and learn about all facets of sailing. We sail all year round, at social sailing levels as well as competitive racing. One of our specialities is taking remedial, respite, or similar centres for short sails.

Anyone with an interest in sailing regardless of sailing ability or knowledge is welcome to join in the fun. You and your friends and family can come and join us for a sail and if you really enjoy the experience you may wish to get involved in our competition racing or become a volunteer. We also sail Paralympic class yachts and run training sessions in High Performance Sailing, developing future World and Paralympic Champions

Our club is staffed entirely by volunteers, including able-bodied members who play an integral role in the club's sailing programs and other activities. If you are interested in

sailing opportunities regardless of your ability, becoming a volunteer or making a donation and would like further information about Sailability Rushcutters Bay please contact Commodore Ron Montague on 0412 038 313 or sailabilitybay@yahoo.com.au or visit us at Sailability Rushcutters Bay loft at Legacy Marina, 1C New Beach Road, Rushcutters Bay NSW.
