Reason for Report: To review the status of the Priorities and Actions in Council's Delivery Program 2009 to 2013 and Operational Plan 2012/13 for the three months ending 30 June 2013.

Recommendation

THAT the June 2013 Quarterly Progress Report on Goal 4 (Well planned neighbourhoods) of Council's Delivery Program 2009 to 2013 and Operational Plan 2012/13 be received and noted.

1. Background

Council adopted its Delivery Program 2009 to 2013 and Operational Plan 2012/13 (DPOP) in June 2012 in accordance with the Integrated Planning and Reporting Legislation for NSW Local Government. The Delivery Program and Operational Plan are two of the key strategic planning documents that comprise Council's Integrated Planning and Reporting Framework.

It is a requirement under the Integrated Planning and Reporting Legislation that Council report on the progress of its Delivery Program at least every six months. In response to this requirement, and in order to ensure that Council's reporting to the community is transparent, timely and manageable under the legislation, progress reports on the DPOP are presented to Council quarterly for the periods ending 30 September, 31 December, 31 March and 30 June each year.

The framework for quarterly progress reports is consistent with the structure of the Delivery Program and Operational Plan developed around the following interrelated themes and supporting goals:

Theme: Community well-being

- Goal 1: A connected and harmonious community.
- Goal 2: A supported community.
- Goal 3: A creative and vibrant community.

Theme: Quality places and spaces

- Goal 4: Well planned neighbourhoods.
- Goal 5: Liveable places.
- Goal 6: Getting around.

Theme: A healthy environment
Goal 7: Protecting our environment.
Goal 8: Sustainable use of resources.

Theme: Local prosperity
Goal 9: Community focused economic development.

Theme: Community leadership and participation
Goal 10: Working together.
Goal 11: A well-managed Council.

Annexure 1 to this report is Council's Quarterly Progress Report for the period 1 April to 30 June 2013 for Goal 4, being most relevant to the Urban Planning Committee.

Progress comments for all Delivery Program priorities and Operational Plan actions are provided in the tables of **Annexure 1**. Council staff provide updates on these comments on an ongoing basis for internal management purposes, with the comments then collated at the end of the quarter for reporting to Council and the community. Generally, actions included in the Operational Plan relate to the current financial year. However, there are a number of actions that extend beyond June 2013, as indicated in the target date column.

A tick in the final column of the tables in **annexure 1** headed "Updated Comments" indicates that the comments relating to that action have been updated since the previous quarterly report to Council. The purpose of the tick is to enable Councillors and other readers of the report to easily identify where an action status has been updated.

In considering the September DPOP Quarterly Progress Report at its meeting held on 19 November 2012, the Corporate and Works Committee requested that statistics be included in future Quarterly Progress Reports summarising the status of DPOP Actions. The Committee will note the inclusion of this additional information on page 3 of **Annexure 1**.

2. Adopted notices of motion and other decisions of the Council

To further improve the efficiency and transparency of Council's Integrated Planning and Reporting procedures, notices of motion and other decisions of the Council which are strategic and/or project based are now included as additional actions in the DPOP and reported on through the Quarterly Progress Report.

Adopted notices of motion which are non-strategic in nature, such as placement of an additional agenda item on a meeting or writing a letter to an organisation, will be monitored administratively.

During the period 1 April to 30 June 2013, three new notice of motion has been identified as strategic and/or project-based in nature. Details of this new action are provided below.

ACTION ARISING FROM A NOTICE OF MOTION	
Action number in 2012/13 Quarterly Progress Report	Action description
4.1.1.38	Prepare a report on the heritage significance and possible heritage listing of the property at 54-56 Wunulla Road, Point Piper, known as Altona including its curtilage. [Refer NOM 11/06/2013].
4.1.1.39	Prepare a report to the Urban Planning Committee on the options available for amending Council's planning controls and other requirements for subdivision so that in addition to meeting minimum allotment sizes and objectives for those standards, consideration be given to the nature of proposed development which may be carried out on the subdivided lots, including its scale, form and intensity and the possible impacts of the proposed development. The report is to include whether controls and requirements are possible within the new Principal LEP, Consolidated DCP or DA Guide or a combination of these documents. [Refer NOM 08/04/2013].
4.1.1.40	Prepare and submit a state nomination to the Heritage Branch of the Office of Environment and Heritage to list the Rose Bay seawall, curtilage, balustrade and promenade, its trees, stairs, parking, bays, lights and including local and distant views, as a heritage item in the State Heritage Register.
