- Council will limit the number of amusement devices for any event to two to reduce the impact on the surrounding amenity.
- The device must be registered under the Occupational Health and Safety Regulation 2001.
- The device must be erected in accordance with all conditions relating to its erection set out in the current certificate of registration issued for the device under the Occupational Health and Safety Regulation 2001.

Some amusement devices have specific conditions, as outlined below:

Inflatable Devices:

- Inflatable devices shall be designed and constructed in accordance with Australian Standard AS 3533,1 –1997
- Each inflatable device, while operating, shall be under the supervision of a person at least 18 years of age, who is fully trained in all aspects of safe operation.
- The owner of each inflatable device shall ensure that at all times that the device is in operation it is covered by a public risk insurance policy. The policy value of 20 million dollars required for other amusement devices would also be appropriate for inflatable devices.
- The device shall not be operated in wind velocities exceeding 45km/hr. If the wind velocity approaches this figure, the device must be cleared and deflated immediately.
- Each device shall be held down in accordance with the manufacture's recommendations.
- The device is registered under the Occupational Health and Safety Regulation 2001.
- The device is to be or has been erected in accordance with all conditions (if any) relating to its erection set out in the current certificate of registration issued for the device under the Occupational Health and Safety Regulation 2001.
- Inflatable devices must have a minimum setback of 10 metres from all playgrounds, children's play equipment and buildings.

Pony Rides and Petting Zoo:

- A responsible adult is to be present and supervise the event at all times.
- Pony rides may be set-up in a council approved designated area.
- The ponies are to be under effective control at all times.
- No rider is to be left unattended on a pony i.e. the Pony Handler must lead the pony at all times whilst rider is astride pony.
- All waste and manure are to be removed by the applicant on the day of the event.
- Petting zoo enclosures and pony rides must be conducted with a minimum setback of 10 metres from all playgrounds, children's play equipment and buildings.
- Ensure all activities are undertaken in accordance with relevant health and safety guidelines, refer to NSW Health Fact sheet "*Petting Zoos and Personal Hygiene*".

Fire Engine:

- Council notes a fire engine may be present at the event for the purpose of entertaining children.
- If no suitable space is available outside the boundaries of the Park, the Fire Engine may be parked within the area designed on the map for such activity.
- A responsible adult must be present and supervise the event at all times.
- A responsible adult must be present at all times the Fire Engine is either standing or parked within the park.

Face Painting:

All face painters must maintain and follow strict hygiene procedures by carrying out the following steps to minimise the risk of cross-over contamination between any persons.

- The face painting area will be wiped clean with an antibacterial wipe prior to any paintwork being carried out on the face of the child or person.
- Clean sponges and brushes are always used for each child or person. Used brushes are washed in an antibacterial solution before re-using.
- Disposable gloves are used to maintain and minimise the risk of cross-over contamination between any children or person being face-painted.
- Water jars are to be changed regularly or after each child.
- To minimise cross-over contamination you will not face paint any child or person suffering from a cold, flu, signs of conjunctivitis or any child or person who have any type of open cuts, skin wounds or are suffering from the effects of sunburn to the face area.

Swimming and Water Activities:

If a group hires or uses the facility for any recreational activity e.g. schools, sporting groups, it is recommended that the council, as a condition of hire, requires that a person supervising holds the following qualifications:

- a) RLSSA Bronze Medallion award, or the equivalent industry qualifications from a registered training organisation, updated annually.
- b) NSW Workcover Authority approved Senior First Aid, or the equivalent in competencies, updated every three years.

Stage:

- Any stage or structure erected for or during the event must be erected by qualified staff in accordance with any manufacturers' instruction and any relevant Australia Code or Standard.
- Public access to the stage and any equipment must be restricted to people authorised by the event organisers.
- Woollahra Municipal Council accepts no responsibility for any improper use or access to equipment or like, used in the conduct of this event.
- All cables, wires etc. are to be properly installed and protected to ensure no risk to authorised users or the public.

Making Good Damage of Park and Infrastructure:

The applicant must repair or meet the cost of making good any damage to the park and Council's infrastructure, as a consequence of the activities associated with this Activity Approval.

The Park will be inspected at the completion of the event to assess any damage caused, such as damage to trees, the turf surface, amenities block and presence of litter. Any damage must be restored to the satisfaction of Council's Manager Open Space and Trees at the cost to the applicant and within a timeframe as agreed between the applicant and Manager Open Space & Trees. In assessing any damage consideration will be given to normal wear and tear as a consequence of the event. Payment of cost for damage repairs undertaken by Council must be paid within 30 days from issue of Council's invoice.

Waste Services and Cleaning:

Where recycling and general rubbish bins are provided, you shall ensure that all waste is disposed of in an appropriate manner.

In regard to rubbish generated at the event, if there are more than 50 people attending, it is the responsibility of the event organiser to arrange private contractors to remove rubbish from the site. Rubbish is not permitted to be placed in Council park bins.

The event organisers must leave the park and surrounds with the same level of cleanliness as at the start of the event. Any cleaning costs incurred by the Council's Parks Department for cleaning of the park (including the removal of litter, and the removal of any grease stains from roads, footpaths and paving) after the event will be deducted from the bond.

BBQ and Preparing Food:

Turf protection such as mats or similar measures must be used when using a BBQ.

The applicant must ensure that all food handling and food preparation is in accordance with the *'Food Standards Code and Guidelines for Food Businesses at Temporary Events'* by the NSW Food Authority.

Refer to www.foodauthority.nsw.gov.au for more information.

Alcohol:

No alcohol should be sold within the park other than that authorised by an appropriate License (e.g. Function, Catering or Special Event License) as approved under the Liquor Act 2008, unless prohibited by park signage. Licenses can be obtained from Liquor and Gaming NSW.

It is prohibited to consume alcoholic beverages in designated alcohol-free parks/reserves.

Noise and Public Amenity:

Noise generated as a result of the event is to be kept to a minimum and not exceed Environmental Protection Authority (EPA) recommended guidelines for residential areas.

Any generator or other equipment that is to be used must conform to EPA Guidelines and not create a nuisance to the amenity of the neighbours.

The applicant does not have exclusive use of the Park during the event. No resident or visitor to the Park is to be prevented from reasonable access to all the usual facilities of the Park during the conduct of the event.

Security:

Security and First Aid for the event is the responsibility of the event organisers.

Generators and Cabling:

The applicant is responsible for ensuring that power cables do not affect pedestrian movement or present risks to the safety of pedestrians.
