Part 1 – Introduction

1.1 – Description of this planning proposal

This planning proposal is made in relation to the Rose Bay Uniting Church and Wesley Hall Group at 518a Old South Head Road, Rose Bay (the site). The objective of the planning proposal is to amend the *Woollahra Local Environmental Plan 2014*, to list the Rose Bay Uniting Church and Wesley Hall Group as a heritage item. Heritage listing will provide ongoing protection and recognition of the heritage significance of the site, including the existing buildings and moveable heritage. The moveable heritage includes furniture and fittings within the church and Wesley Hall such as the stained-glass windows, pews, original font and the preacher’s rostrum said to be from the first Methodist Church in Australia.

This planning proposal has been prepared in accordance with section 3.33 of the *Environmental Planning and Assessment Act 1979* (EP&A Act) and the two documents prepared by the NSW Department of Planning and Environment titled *A Guide to Preparing Planning Proposals* (August 2016) and *A Guide to Preparing Local Environmental Plans* (August 2016).

The requirements for a planning proposal are provided in sections 2 to 9 as follows:

- 2 Existing site and surrounding context
- 3 Existing planning controls
- 4 Objective of planning proposal
- 5 Explanation of provisions
- 6 Justification
- 7 Mapping
- 8 Community consultation
- 9 Project timeline

Additional information to support the application is provided in the appendices:

- Appendix 1 – Report to the Environmental Planning Committee of 7 May 2018.
- Appendix 2 – Council resolution of 21 May 2018.
- Appendix 3 – Independent heritage assessment
 - a. Heritage Significance Assessment prepared by Robert Moore (March 2018)
 - b. Heritage Inventory Sheet – 518a Old South Head Road, Rose Bay

1.2 – Background

Council Notices of Motion

On 18 December 2017, Council adopted the following two Notices of Motion:

Item No: 11.2

THAT Council explore the Heritage Listing of Rose Bay Church and Hall on the corner of Old South Head Road and Dover Road, Rose Bay.

Item No: 11.3

THAT Council requests staff to prepare and submit a report including a heritage assessment and draft inventory sheet for Rose Bay Uniting Church and Wesley Hall (having their primary address at 518a Old South Head Road, Rose Bay) to the Urban Planning Committee to facilitate the Rose Bay Uniting Church and Wesley Hall (and its elements) being:

- i. Included in the Woollahra Local Environmental Plan as a heritage item: and*
- ii. Listed as a heritage item of State significance on the NSW State Heritage Register*

In response to the above Notices of Motion, Woollahra Council appointed *Robert A Moore: Heritage Architect and Heritage Consultant* to prepare a Heritage Significance Assessment (HSA) for the Rose Bay Uniting Church and Wesley Hall group at 518a Old South Head Road, Rose Bay.

First Council resolution

A report was presented to the Environmental Planning Committee on 7 May 2018, which included a copy of the HSA, Heritage Inventory Sheet and Submission from Conrad Gargett on behalf of the land owner.

On 21 May 2018, Council resolved:

- A. THAT Council prepare a planning proposal to list the Rose Bay Uniting Church and Wesley Hall Group at 518a Old South Head Road, Rose Bay as a heritage item in the Woollahra Local Environmental Plan 2014.*
- B. THAT the planning proposal describes the item as follows: Rose Bay Uniting Church and Wesley Hall Group - church and interiors (including moveable heritage, vestry and 1924 additions), Wesley Hall and interiors.*
- C. THAT the planning proposal be forwarded to the Greater Sydney Commission requesting a gateway determination to allow public exhibition.*
- D. THAT when requesting a gateway determination for the planning proposal, the Council seek delegation of the plan-making steps under section 3.36 of the Environmental Planning and Assessment Act 1979.*

Woollahra Local Planning Panel

A report was presented to the Woollahra Local Planning Panel (WLPP) for advice, on 5 July 2018. The report included the Council resolution of 21 May 2018, a copy of the HSA, Heritage Inventory Sheet and Submission from Conrad Gargett on behalf of the land owner.

The report to the WLPP was required by the Local Planning Panel Direction – Planning Proposals issued by the Minister for Planning on 23 February 2018, which states:

- A Council to whom this direction applies is required to refer all planning proposals to be prepared after 1 June 2018 to the local planning panel for advice, unless the council's general manager determines that the planning proposal relates to:
 - (a) the correction of an obvious error in a local environmental plan,
 - (b) matters that are of a consequential, transitional, machinery or other minor nature, or
 - (c) matters that council's general manager considers will not have any significant adverse impact on the environment or adjoining land.
- A proposal is to be referred to the local planning panel before it is forwarded to the Minister under section 3.34 of the *Environmental Planning and Assessment Act 1979*.
- This direction takes effect on 1 June 2018 and applies to planning proposals prepared, but not submitted to the Minister, before 1 June 2018.

In this case, the planning proposal was required to be referred to the local planning panel because the general manager did not make a determination in regard to items (a), (b) or (c), above.

The WLPP advised the following:

THAT Council reaffirm its decision of 21 May 2018 as follows:

- A. *THAT Council prepare a planning proposal to list the Rose Bay Uniting Church and Wesley Hall Group at 518a Old South Head Road, Rose Bay as a heritage item in the Woollahra Local Environmental Plan 2014.*
- B. *THAT the planning proposal describes the item as follows: Rose Bay Uniting Church and Wesley Hall Group - church and interiors (including moveable heritage, vestry and 1924 additions), Wesley Hall and interiors.*
- C. *THAT the planning proposal be forwarded to the Greater Sydney Commission requesting a gateway determination to allow public exhibition.*
- D. *THAT when requesting a gateway determination for the planning proposal, the Council seek delegation of the plan-making steps under section 3.36 of the Environmental Planning and Assessment Act 1979.*
- E. *The Panel endorses the decision on 21 May, 2018 and recommends that the applicant prepare a conservation management plan for the property as soon as possible.*

Second Council resolution

On 16 July 2018, Council resolved the following:

THAT Council reaffirm its decision of 21 May 2018 as follows:

- A. THAT Council prepare a planning proposal to list the Rose Bay Uniting Church and Wesley Hall Group at 518a Old South Head Road, Rose Bay as a heritage item in the Woollahra Local Environmental Plan 2014.*
- B. THAT the planning proposal describes the item as follows: Rose Bay Uniting Church and Wesley Hall Group - church and interiors (including moveable heritage, vestry and 1924 additions), Wesley Hall and interiors.*
- C. THAT the planning proposal be forwarded to the Greater Sydney Commission requesting a gateway determination to allow public exhibition.*
- D. THAT when requesting a gateway determination for the planning proposal, the Council seek delegation of the plan-making steps under section 3.36 of the Environmental Planning and Assessment Act 1979.*

Part 2 – Existing sites and surrounding context

2.1 – The site

The planning proposal applies to the site located on the corner of Dover Road and Old South Head Road, Rose Bay. The street address of the site is 518A Old South Head Road, and consists of Lot 37: Sec: A in DP 4567 (see Figure 1, 2 and 3 below). The site is described in the Council resolution on 21 May 2018 as:

Rose Bay Uniting Church and Wesley Hall Group – church and interiors (including moveable heritage, vestry and 1924 additions), Wesley Hall and interiors.

Figure 1: Rose Bay Methodist Church (1904) and the Wesley Hall (1929), (Source: RA Moore February 2018).

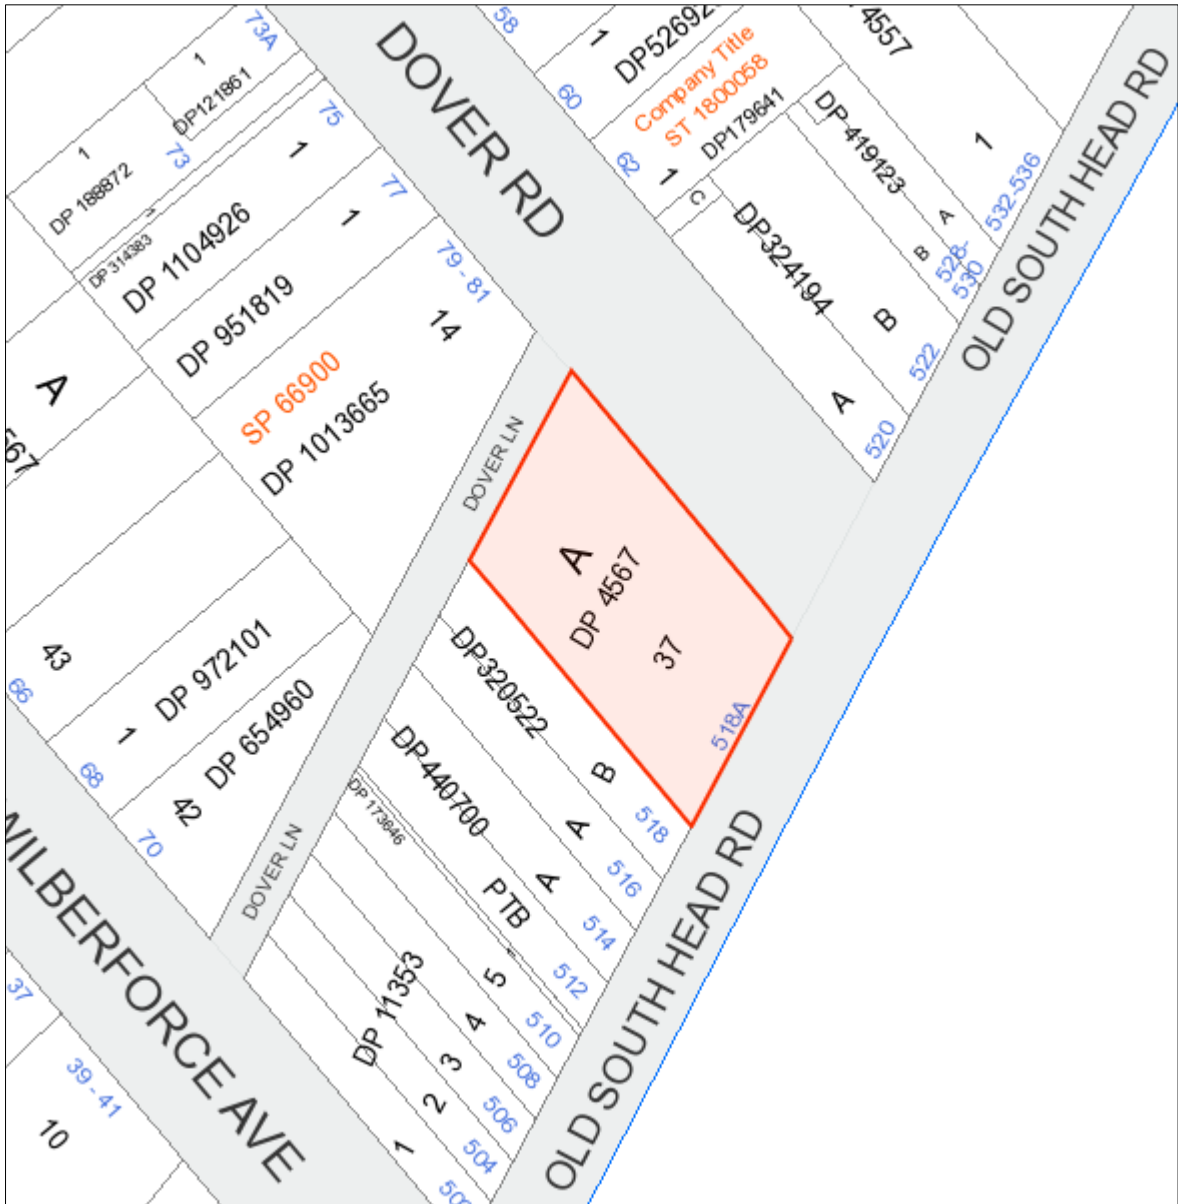

Figure 2: Cadastral map showing the subject site outlined in red

Figure 3: Aerial photograph showing the subject site outlined in red

2.2 – Existing context

Church buildings occupy the majority of the site, with two small areas of lawn and landscaping on either side of the church building and a play area at the rear adjacent to the Hall (see the aerial image of the subject site in Figure 2). The complex is surrounded by a brick and roughcast fence fronting Old South Head Road and Dover Street, and a timber paling fence along Dover Lane and the South boundary. The subject site is not listed on the NSW State Heritage Register (SHR), nor is it included in *Schedule 5: Environmental heritage* of the *Woollahra Local Environmental Plan 2014* (Woollahra LEP 2014). The site is not in the vicinity of a listed item.

Part 3 – Existing planning controls

The site is not currently listed as a state or local heritage item, and is not in proximity to other heritage items. The site is not located within or in proximity to a heritage conservation area.

Part 4 – Objective of planning proposal

The objective of the planning proposal is to amend the *Woollahra Local Environmental Plan 2014*, to list the Rose Bay Uniting Church and Wesley Hall Group at 518a Old South Head Road, Rose Bay as a heritage item. Heritage listing will provide ongoing protection and recognition of the heritage significance of the site, including existing buildings and moveable heritage.

Part 5 – Explanation of provisions

The planning proposal seeks the following amendments to Woollahra LEP 2014:

- Insert a listing for *Rose Bay Uniting Church and Wesley Hall Group - church and interiors (including moveable heritage, vestry and 1924 additions), Wesley Hall and interiors*, in Part 1 Heritage Items of Schedule 5 Environmental Heritage. The exact wording of the amendment will be determined by Parliamentary Counsel prior to the making of the amending LEP.
- Amend the Heritage Map (Sheet HER_005) to identify a heritage item on the site of 518a Old South Head Road, Rose Bay (Lot 37: Sec: A in DP 4567).
- Insert a savings provision to apply to any development application lodged but not determined prior to the commencement of the amendment, as required by condition 1 of the gateway determination issued by the Department of Planning and Environment on 16 August 2018. The effect of a savings provision is that if a development application for the site has been submitted but not determined before the commencement of the LEP amendment, the application must be determined as if there is no heritage item on the site. The exact wording of the amendment will be determined by Parliamentary Counsel prior to the making of the amending LEP.

Part 6 – Justification

The planning proposal has strategic merit. The key reasons to amend *Woollahra LEP 2014* are that heritage listing of the Rose Bay Uniting Church and Wesley Hall Group will provide ongoing protection and recognition of the heritage significance of the site, including existing buildings and moveable heritage.

These matters are further discussed below in part 6.1 to 6.3.

6.1 – Need for planning proposal

1. Is the planning proposal a result of any strategic study or report?

Yes. The planning proposal is the result of a decision of Council to list the Rose Bay Uniting Church and Wesley Hall Group at 518a Old South Head Road, Rose Bay.

2. Is the planning proposal the best means of achieving the objectives, or is there a better way?

Yes. The objective of the planning proposal is to amend the *Woollahra Local Environmental Plan 2014*, to list the Rose Bay Uniting Church and Wesley Hall Group at 518a Old South

Head Road, Rose Bay as a heritage item. The best, and only, means of achieving this objective is through the planning proposal process.

Heritage listing will provide ongoing protection and recognition of the heritage significance of the site, including existing buildings and moveable heritage. Other means of controls, such as adding site-specific objectives and controls to the *Woollahra DCP 2015*, or including heritage conservation conditions to a development consent for the site, will not provide the same level of heritage protection and recognition.

6.2 – Relationship to strategic planning framework

3. Is the planning proposal consistent with the objectives and actions contained within the applicable regional, subregional strategy or district plan or strategy (including exhibited draft plans or strategies)?

Yes. The planning proposal is consistent with the objectives of Greater Sydney Region Plan - *A Metropolis of Three Cities* (2018) and the actions of the *Eastern City District Plan* (2018). These plans are discussed in detail in Schedule 1.

4. Is the planning proposal consistent with a council's local strategy or other local strategic plan?

Yes. The planning proposal is consistent with the Council's Community Strategic Plan titled *Woollahra 2025 – our community, our place, our plan*. Notably, the planning proposal meets the following strategy within Goal 4 (Well planned neighbourhood) under the theme Quality places and spaces.

4.3 Protect local heritage and residential amenity, including protection of significant architecture and the natural environment.

5. Is the planning proposal consistent with applicable State Environmental Planning Policies?

Yes. The planning proposal is consistent with the *Standard Instrument – Principal Local Environmental Plan* and all other applicable *State Environmental Planning Policies* (refer to Schedule 2).

6. Is the planning proposal consistent with applicable Ministerial Directions (s.9.1 directions)?

Yes. The planning proposal is consistent with applicable section 9.1 directions (refer to Schedule 3).

6.3 – Environmental, social and economic impact

7. Is there any likelihood that critical habitat or threatened species, populations or ecological communities, or their habitats, will be adversely affected as a result of the proposal?

No. There are no critical habitat areas, threatened species, populations or ecological communities or their habitats present on the subject land. Accordingly, the proposal will not have any impact in this regard.

8. Are there any other likely environmental effects as a result of the planning proposal and how are they proposed to be managed?

No. There are no likely environmental effects that would arise as a result of the planning proposal. Protection of the site, including existing buildings and moveable heritage, will be required when development is proposed for the site or in the vicinity of the site. Protection measures are not likely to result in environmental harm and will be managed through the development assessment process.

9. Has the planning proposal adequately addressed any social and economic effects?

Yes. The HSA concluded that:

The properties are a focal point for the community for their historic, social and aesthetic significance. The Church and Hall have continuously provided a venue for everything from Sunday school classes to ballet, martial arts, meditation and other classes, affordable childcare and other support services to families and disadvantaged members of the Rose Bay community.

The planning proposal will have a positive social effect. Heritage listing will provide ongoing protection and recognition of the social heritage significance of the site, including existing buildings and moveable heritage.

It is not anticipated that the planning proposal will have any negative social and economic effects which need to be addressed as part of the proposal.

6.4 – State and Commonwealth interests

10. Is there adequate public infrastructure for the planning proposal?

Yes. The site is connected to water, sewer, electricity and telephone services. The site is in proximity to regular and frequent public transport services which have capacity to accommodate increased demand.

There is no significant infrastructure demand that will result from the planning proposal. The existing services that are available to the subject sites are suitable for the proposal and appropriate for the requirements of a local centre.

If required by the gateway determination, we will consult with public utility companies, service providers and emergency services during the public exhibition.

11. What are the views of State and Commonwealth public authorities consulted in accordance with the gateway determination?

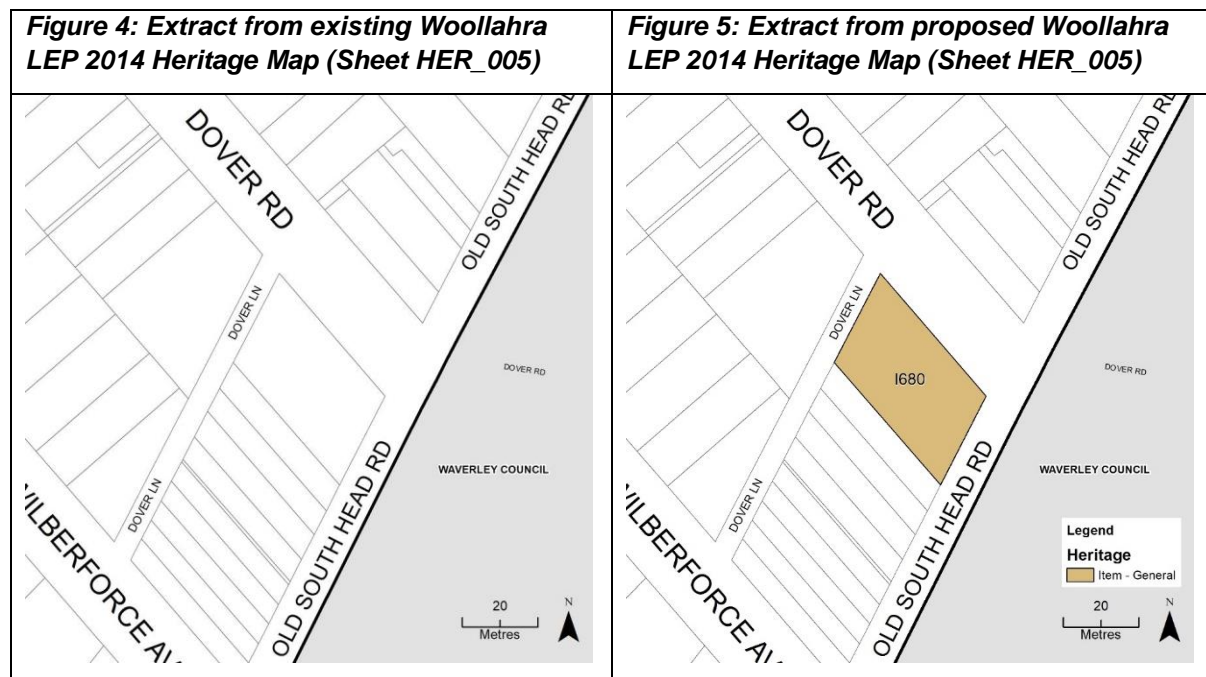

This section will be completed following consultation with public authorities identified in the gateway determination. Public service authorities, including but not limited to, will be notified:

- Office of Environment & Heritage, Heritage Division.
- NSW Heritage Council.

Part 7 – Mapping

The planning proposal seeks to amend the Woollahra LEP 2014 maps, by amending the Heritage Map (Sheet HER_005) to apply an “Item – General” classification to the site.

An extract of the existing and proposed heritage maps are shown in Figure 4 to Figure 5.

Part 8 – Community consultation

8.1 – Consultation with landowner

In accordance with Council’s standard practices, a copy of the HSA was sent to the landowner for comment. A submission dated 24 April 2018 was made to Council on behalf of the owners of the land by David Gole, Principal Heritage Architect at Congrad Gargett. Further, a meeting with Council staff, Robert Moore and the land owner’s consultants being Christopher O’Connor from Endeavour Property Advisory, Dale Swan and Dave Gole from Conrad Gargett took place on Friday 20 April 2018. A copy of the submission is included in Appendix 3.

The landowner acknowledges that the HSA has been undertaken in accordance with good heritage practice, and generally agrees with the assessment. However, the landowner, whilst supportive of the heritage listing of the Church and vestry (entry porch), objects to the listing of all the buildings on the site. The landowner requested that the listing be limited to the original church building and vestry. However, the landowner has not provided any additional information or research that indicates that the 1924 Church extensions or the 1927 Wesley Hall are not of heritage significance (within the Criteria for Listing) or have been incorrectly assessed.

Council considered the submission by the landowner and resolved to proceed with the heritage listing of the both the Church (including its interiors, moveable heritage, vestry and 1924 additions), and the Wesley Hall (including its interiors).

8.2 – Public exhibition

The public exhibition will be undertaken in accordance with the requirements of the Act and the *Environmental Planning and Assessment Regulation 2000*.

We recommend that the planning proposal is exhibited for a minimum of 28 days.

Public notification of the exhibition will comprise:

- A weekly notice in the local newspaper (the Wentworth Courier) for the duration of the exhibition period.
- A notice on Council's website.
- A letter to the land owner of the site.
- A letter to land owners in the vicinity of the site.
- Local community groups such as the Rose Bay Residents' Association.

During the exhibition period the following material will be available on Council's website and in the customer service area at Woollahra Council offices:

- The planning proposal, in the form approved by the gateway determination.
- The gateway determination.
- Information relied upon by the planning proposal, such as relevant Council and consultant reports.

Part 9 – Project timeline

As Council is authorised to exercise the functions of the Minister for Planning under section 3.36 of the *Environmental Planning and Assessment Act 1979*, the proposed timeline for completion is as follows:

Plan-making step	Estimated completion
Environmental Planning Committee recommends proceeding	7 May 2018
