

Woollahra Council – Bondi Junction tragedy community support funding

Summary of funded projects

Following the tragic incident at Westfield Bondi Junction on 13 April, Woollahra Council has announced recipients for one-off projects and initiatives through its Community Grants Program. Successful recipients *Lifeline Eastern Suburbs - Bondi*, *Art of Living Foundation* and *Bondi Beach Cottage* will now be supporting the health and wellbeing of the community with the assistance of the grant funding.

On 29 April 2024, Council resolved to allocate a total of \$20,000 to its Community Grants Program for use by local eligible registered charitable organisations with one-off projects and initiatives.

Council acknowledges the grief and loss felt in our community and would like to help fund projects that can assist with short and long term recovery, healing and support.
