1. An 'actual' conflict of interests is where there is a direct conflict between a member's duties and responsibilities and their private interests or other duties.
2. A 'potential' conflict of interests is where a panel member has a private interest or other duty that could conflict with their duties as a panel member in the future.
3. A 'reasonably perceived' conflict of interests is where a person could reasonably perceive that a panel member's private interests or other duties are likely to improperly influence the performance of their duties as panel member, whether or not this is in fact the case.
4. An 'actual' conflict of interests is where there is a direct conflict between a member's duties and responsibilities and their private interests or other duties.
5. A 'potential' conflict of interests is where a panel member has a private interest or other duty that could conflict with their duties as a panel member in the future.
6. A 'reasonably perceived' conflict of interests is where a person could reasonably perceive that a panel member's private interests or other duties are likely to improperly influence the performance of their duties as panel member, whether or not this is in fact the case.

⁷ Signatures of Panel members have been suppressed from Council's website in accordance with the provisions of the Privacy and Personal Information Protection Act 1998.
