Sydney
WATER

Randwick, Waverley and Woollahra Councils have collaborated with Sydney Water to help make it easier for people living in apartments in the eastern suburbs to reduce water costs via their WaterFix® Strata service.

Top benefits for your apartment building

Save money on water & energy bills every year

Save precious drinking water

Fix water leaks which can damage property

Reduce future maintenance

Ease pressure on existing water supplies

WaterFix® Strata is an affordable tailored service to:

- Fix leaks inside apartments and around common areas
- Install water efficient devices in apartments

Why WaterFix® Strata?

- ✓ **Free water efficiency assessment** - Via email
- ✓ **Hassle-free** - Sydney Water arrange all the appointments & access
- ✓ **Quality** - Dedicated expert plumbers and quality equipment
- ✓ **Savings** - Proven track record from previous buildings
- ✓ **Cost** - Paid for by savings on your water bill* within 3 years (average)
- ✓ **Trust** - Run by Sydney Water and your local Council

**For eligible customers*
