

Display Goods on Footway

Conditions

Attach Site Plan of Location

Site plan should be to scale, clearly outline the proposed dimensions (m²), proposed arrangement of sample goods display, pedestrian footway clearances, street furniture or infrastructure if applicable.

The below Sample Plan provides guidance on the type of plan required to accompany this application.

Conditions

Display of goods application and operation must be conducted in accordance with Council's [Policy and Procedures for Display of Goods \(PDF\)](#).

- 1) A Display of Goods Approval will only be issued to an applicant who operates a business from premises immediately adjacent to the footway and meets the application criteria.
- 2) Council's application fee must accompany the application. (**Application fees are temporarily waived to 30 June 2021**).
- 3) If a Display of Goods Approval is issued, it will require the business operator to pay rent. The Approval Fee will be determined on the basis of a CPI adjusted rate per square metre.
- 4) Prior to the issue of a Display of Goods Approval, the applicant will be required to obtain a Public Risk Insurance Policy for a minimum of twenty million dollars (\$20,000,000) or other such amount as the Council may require from time to time against any action that may arise from damage to property or injury to any person using the footway. Council must be nominated as an 'Interested Party' on the policy and indemnified against any claim.
- 5) The issue of a Display of Goods Approval in respect of a footway of a classified road will be subject to the concurrence of the Transport for New South Wales (TfNSW) and in accordance with Council's Policy and Procedures for Display of Goods on Footway.
