Cost of development

Cost

Who should estimate the costs of development prior to lodgement?

\$0 - \$749,999

The applicant or a suitably qualified person, with the methodology used to calculate that cost submitted with the DA (see Table 1 on page 2).

\$750,000 and above

A detailed cost report prepared by a registered quantity surveyor verifying the cost of the development should be submitted with the DA.

A suitably qualified person is: a builder who is licensed to undertake the proposed works, a registered architect, a qualified and accredited building designer, a registered quantity surveyor or a person who is licensed and has the relevant qualifications and proven experience in costing of development works at least to a similar scale and type as is proposed.

Applicant(s) declaration

I/We,

certify that:

- I/We have provided the estimated costs of the proposed development and that those costs are based on industry recognised prices; and
- the estimated costs have been prepared having regard to the matters set out in Clause 251 & 255 of the *Environmental Planning and Assessment Regulation 2021*

Note: Clause 251 & 255 of the Environmental Planning & Assessment Regulation 2021 specifies how the estimated cost of development is to be calculated. It is an offence to make a false statement in relation to the estimated cost of development and significant penalties may apply.
